# FOREWORD.

**“The Mid Autumn full moon represents family unity  
and joy in the Chinese culture “**  
- The Art People Gallery

This Mid Autumn Festival, we are honoured to curate the Luxuriant Luminescence art exhibition in collaboration with the Four Points by Sheraton Hotel Kuala Lumpur Chinatown.

The exhibition, held on the 7th floor lobby of the hotel, features eight pieces of art by local talent Lisa Wong Sook Kuan.

“Abundance”, the centerpiece of the exhibition featuring a jade rabbit leaping across a full moon, had inspired the Luxuriant Luminescence mooncake box presented by Lady Yi’s Tea House at the Four Points by Sheraton Hotel KL Chinatown.

We invite you to bring your family, friends and loved ones to view Lisa Wong’s stunning array of paintings and take home these limited-edition mooncakes encased in the stunning jewellery box illustrated by Lisa Wong.

Wishing you all a Happy Mid-Autumn Festival!

# INTRODUCTION.

BY THE ART PEOPLE GALLERY

Artists are visual storytellers; through means of their artworks — paintings, sculpture and through various mediums, they weave a fabric of their imagination for viewers. Through a culmination of experiences, history, culture and muses, viewers are granted a peek into their fantastical realms, perspective and everything through their lenses.

Such is the spirit embodied by famed local artist Lisa Wong Sook Kuan's paintings in her solo exhibition entitled 'Luxuriant Luminescence', in collaboration with Four Points By Sheraton Chinatown, Kuala Lumpur. This special exhibition portrays Lisa's affinity for boisterous, vibrant colours and meticulous detailing, paired with her disposition for Expressionism. What makes this collaboration distinct and exceptional is the immaculately-designed limited-edition mooncake boxes featuring an elegant jade colour and a leaping Jade Rabbit amidst flowers, commissioned by Lisa, in the spirit of abundance.

In that regard, The Art People Gallery is honoured to curate and introduce eight visual spectacles that are beautiful in their own right, each taking a nod to the Mid-Autumn festival, together with the spirit of togetherness and the folklore of the Jade Rabbit and Chang-E it represents. Beyond an art exhibition, *Luxuriant Luminescence* is a celebration of culture. This exhibition is available for viewing from July to 15 September, on the 7th floor lobby of Four Points by Sheraton Chinatown Kuala Lumpur.

# BIOGRAPHY.

LISA WONG SOOK KUAN

Haphazardly arranged interiors, goldfish drifting through space, and dense tropical foliage are all some of the variables that are displayed across the canvas of Malaysian artist, Lisa Wong

An alumnus of the California College of the Arts with a BFA in Illustration, Lisa's work has evolved from year to year: beginning her career with a series of intricate ink drawings and shifting to richly-coloured, imagined, interiors.

Drawing inspiration from the world around her, Lisa enjoys creating imaginary spaces from mundane, everyday objects. Sometimes borrowed, sometimes owned, the world depicted in each work contain items known to the artist in real life. Whether it be a pet goldfish, a birthday cake or the weeds in her garden, through the canvas they become something more otherworldly beyond their tangible forms.

Besides painting, Lisa is an avid cook and baker. She enjoys a good dinner party and a generous glass of wine.
